HIGHLIGHTS

FROM OUR SEPTEMBER 14TH MEETING

On this beautiful Thursday morning, Nina Marie, and local community leaders came together at the round tables to network and connect with organizations over breakfast.

- Our mission is to work with businesses, churches and organizations to build positive and caring relationships.
- Relationships are a two way street—we make deposits and withdrawals, and we walk away with resources.
- Our mission is also to build relationships, to build a TEAM! Knowing who you are, what you need, and how we can help each other are key to understanding the value of a team.

At the end of the day, "Life works better when systems are in place and the pieces of the puzzle fit together!"
