*Thanks for sharing.*

Applause and special thanks are extended by Community Renewal International Circle of Caring to

**Jannifer Smith**

Shreveport Job Corps Center  
&

**Robin Berry**

LWDA AJC

for their informative presentations. Literature and information from both organizations were provided by both ladies.

Young adults who participate in either program can take advantage of a wide range of educational and career services. They can also gain the skills necessary to succeed in the workplace of tomorrow through each agency.

# Highlights

The Circle was encouraged to take a deep breath during Tuesday's luncheon with Community Liaison, Nina Marie.

- Our first meeting welcomes you as a guest, However, your second meeting, we will say, "You are at home!" **Come back again and invite others.**
- The challenge of the day was to sit with someone you didn't come with, eat delicious lunch together, and make new connections! This is how positive and caring partnerships are formed!

**Circle of Caring extends condolences and prayers to Shauna Morris and her family in the loss of her mother.**
