HIGHLIGHTS

Nina Marie, Circle of Caring Liaison for Community Renewal International, wished everyone a Happy New Year!

Let's reflect back on the year 2023:

- **100 %** of Circle of Caring members report that CoC has improved their sense of belonging and connections, **not 80%, not 90%, but 100%!!**
- Members have noticed positive changes in the community as a result of CoC's efforts.
- In order to create a collaborative and trustworthy environment, organizations have become more transparent, sharing their purposes and missions openly.

As part of the Circle of Caring, more businesses and churches will be more involved to promote the Eight Elements listed below:

1. Common Culture
2. Safe Environment
3. Enhancing Relationships
4. Meaningful Work
5. Leadership System
6. Educational System
7. Healthcare Delivery System
8. Adequate Housing

Thanks for a great kick-off to 2024!
